Filter baby names (optional)

Choose an option

☒ Use rank filtering

Filter (appeared at least once in) top-n

5

Select an option

- ☒ Show Only Years When Names Are in Top-n
- ☐ Include All Years for Names Ever in Top-n

Secondary filter (only applies if "include all years option" is selected)

No second filter

Select how to apply the second filter:

- ☒ Show names that always appeared in top-k every year
- ☐ Show names with missing years (NaN) that appeared in top-k when ranked

☐ Show provinces separately (does not aggregate counts for selected provinces)

Select plotter engine

- ☐ Matplotlib
- ☐ Seaborn
- ☐ Plotly
- ☒ Altair
